

Anoka County Nonprofit Relief Grant Program

Anoka County will offer a business relief grant program to support local businesses impacted by COVID-19. Grants will be awarded in an amount not to exceed \$10,000. A third round of applications will open November 5, 2020 and remain open until the program is fully subscribed based on application numbers. Eligible businesses or nonprofits will be approved based on how complete their application is and how quickly they submit their application. If organizations do not submit a complete application, there may not be enough time for grant reviewers to coordinate and gather the correct information to verify their eligibility.

The application will be made available in Spanish, Hmong, Somali, Arabic and Russian on a request basis. In addition, application technical assistance will be available through Anoka County Regional Economic Development Department and additional technical assistance providers. Grants will be awarded based upon the extent of hardship and need.
